

PORT ANGELES MULTIPLE LISTING SERVICE RULES AND REGULATIONS

LISTING PROCEDURES

Section 1 Listing Procedures:

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license and are located within the service area of the multiple listing service, and are taken by participants on an exclusive right to sell listing form shall be input into the multiple listing service within 48 hours after all necessary signatures of seller(s) have been obtained (*Amended 11/17*)

- (a) single family homes for sale or exchange
- (b) vacant lots and acreage for sale or exchange
- (c) two-family, three-family, and four-family residential buildings for sale or exchange
- (d) commercial

Note 1: The multiple listing service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However the multiple listing service through its legal counsel:

1. may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participant
2. assure that no listing form input into the multiple listing service establishes directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The multiple listing service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other participants of the multiple listing service acting as subagents, buyer agents, or both. (*Amended 11/96*)

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service. (*Amended 11/96*)

The different types of listing agreements include:

- (a) exclusive right to sell
- (b) exclusive agency
- (c) open
- (d) net

The service may not accept **net listings** because they are deemed unethical and, in most states, illegal. **Open listings** are not accepted except where required by law because the inherent nature of an open listing. Cooperation is the obligation to share information on listed property and to make

property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their clients.

The **exclusive right-to-sell** listing is the form of listing where that seller authorizes exclusive authorization to the listing broker to cooperate with other brokers. *(Amended)*

The **exclusive agency** listing also authorizes the listing broker, as exclusive agent, to ~~offer~~ cooperate with other brokers in the sale of the property, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis.

Exclusive agency listings and exclusive right to sell listings with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations. *(Amended 4/92)*

Note 2: A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The multiple listing service shall decline to accept open listings (except where acceptance is required by law) and net listings, and it may limit its service to listings of certain kinds of property. But, if it chooses to limit the kind of listings it will accept, it shall leave its members free to accept such listings to be handled outside the multiple listing service.

Note 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. *(Adopted 11/92)*

Listings of property may be withdrawn from the multiple listing service by the listing broker before the expiration date of the listing agreement, provided notice is input into the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require a MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the multiple listing service may remove the listing at the

request of the seller. *(Adopted 11/96)*

Section 1.10 Expiration of Listings:

Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. *(Amended 11/01)*

in the service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a participant has been suspended from the Board (except where MLS participation without Board membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, a Board MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended participant should be advised, in writing of the intended removal so that the suspended participant may advise his clients.

Section 1.14 Listing of Expelled participants:

When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Board bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations, except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS shall, at the expelled participant's option, be retained in the service until sold, withdrawn, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the Board (except where MLS participation without Board membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, a Board MLS is not obligated to provide MLS service, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. SELLING PROCEDURES

Section 2 Showings and Negotiations

Appointments for showings and negotiations with the seller for the purchase of listed property input in to the multiple listing service shall be conducted through the listing broker, except under the following circumstances:

- (a) The listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- (b) After reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such

direct negotiations by cooperating brokers. *(Amended 4/92)*

Section 2.1 Presentation of Offers:

The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so. *(Amended 4/92)*

Section 2.2 Submission of Written Offers:

The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counteroffers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated. *(Amended 11/05)*

Section 2.3 Right of Cooperating Broker in Presentation of Offer:

The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. *(Amended 4/92)*

Where the cooperating broker is not present during the presentation of the offer, the cooperating broker can request in writing, and the listing broker must provide, as soon as practical, written affirmation stating that the offer has been submitted to the seller, or written notification that the seller has waived the obligation to have the offer presented. *(Adopted 11/19) M*

Section 2.4 Right of Listing Broker in Presentation of Counteroffer:

The listing broker or his representative has the right to participate in the presentation of any counteroffer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee give written instruction to the cooperating broker that the listing broker not be present when a counteroffer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instruction. *(Adopted 11/93)*

Section 2.5 Reporting Sales to the service:

Status changes, including final closing of sales and sale prices, shall be reported to the multiple listing service by the listing broker within 24 hours after they have occurred. If negotiations were carried on under Section 2(a) or (b) hereof, the cooperating broker shall report the accepted offers and prices to the listing broker within 24 hours after occurrence and the listing broker shall report them to the MLS within 24 hours after receiving notice from the cooperating broker. *(Amended 11/11)*

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS;

to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants. *(Amended 11/01)*

Note 2: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records. *(Adopted 11/11) M*

Section 2.6 Reporting Resolutions of Contingencies:

The listing broker shall report to the multiple listing service within twenty-four (24) hours that a contingency on file with the multiple listing service has been fulfilled or renewed, or the agreement cancelled.

Where disclosure is authorized the listing broker shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm or by a cooperating broker. *(Adopted 1/03, Amended 11/08)*

Section 2.10 Availability of Listed Property

Listing brokers shall not misrepresent the availability of access to show or inspect listed property. *(Adopted 11/05)*

REFUSAL TO SELL

Section 3 Refusal to Sell:

If the seller of any listed property input in the multiple listing service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the service and to all participants.

PROHIBITIONS

Section 4 Information for Participants Only:

Any listings input into the service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker.

Section 4.1 For Sale Signs:

Only the for sale sign of the listing broker may be placed on a property. *(Amended 11/89)*

Section 4.2 Sold Signs:

Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign. *(Amended 4/96)*

Section 4.3 Solicitation of Listing Input into the service:

Participants shall not solicit a listing on property filed with the service unless such solicitation is consistent with Article 16 of the Realtors® Code of Ethics, its Standards of Practice, and its Case Interpretations.

Note: This Section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons that have been made aware through MLS input of the date the listing will expire and desire to substitute themselves for the present broker

This Section is also intended to encourage brokers to participate in the service by assuring them that other participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this Section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This Section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.5 Services Advertised as “Free”

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. *(11/21)*

Section 4.6 No Filtering of Listings

Participants and Subscribers must not filter out or restrict MLS listings that are communicated to customers or clients based on the existence or level of compensation offered to the cooperating broker or the name of a brokerage or agent. M

COMPENSATION

Section 5 No Compensation Specified on MLS Listing

Participants, Subscribers, or their sellers may not make offers of compensation to buyer brokers and other buyer representatives in the MLS.

Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and must result in the MLS terminating that Participant’s access to any MLS data and data feeds.

Note 1: The multiple listing service must not have a rule requiring the listing broker to disclose the

amount of total negotiated commission in his listing contract, and the multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The multiple listing service must prohibit disclosing in any way the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer brokers)

Note 2: The multiple listing service shall make no rule on the division of commissions between Participants and non-Participants. This should remain solely the responsibility of the listing broker.

Note 3: Multiple listing services must give Participants the ability to disclose to other Participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require Participants to disclose potential short sales when Participants know a transaction is a potential short sale. (Amended) M

Section 5.0.0 Required Consumer Disclosure

Disclosures of Compensation

MLS Participants and Subscribers must:

1. Disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any).
2. Conspicuously disclose in writing to sellers, and obtain the seller's authority, for any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay. M

Section 5.0.1 Written Buyer Agreement

Unless inconsistent with state or federal law or regulation, all MLS Participants working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include:

- a. a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source;
- b. the amount of compensation in a manner that is objectively ascertainable and not open-ended.
- c. a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and
- d. a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable. M

Section 5.1 Participant as Principal:

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any

ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is input into the multiple listing service and such information shall be disseminated to all multiple listing service participants.

Section 5.2 Participant as Purchaser:

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. *Adopted 2/92*)

SERVICE CHARGES

Section 6 Service Fees and Charges:

The following service charges for operation of the multiple listing service are in effect to defray the costs of the service and are subject to change from time to time in the manner prescribed. All MLS fees, dues, and charges, including but not limited to initial participation fees, recurring participant fees, listing origination fees, subscription fees, etc., shall be assessed only to the MLS participants. Payment of such fees may only be accepted from the MLS participant and not from non-principal brokers or sales licenses affiliated with the participant. None of the foregoing is intended to preclude the MLS participant from being reimbursed by affiliated licensees for fees or charges incurred on their behalf pursuant to any in-house agreement that may exist.

- a. Initial Participation Fee: An applicant for participation in the service shall pay an application fee of \$_____with such fee to accompany the application.
Note: The initial participation fee shall approximate the cost of bringing the service to the participant.

- b. Recurring Participation fee: The annual participation fee of each participant shall be an amount equal to \$_____times each salesperson and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participants. Payment of such fees shall be made on or before the first day of the fiscal year of the multiple listing service. Fees shall be prorated on a monthly basis.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed certified appraiser who can demonstrate subscription to a different MLS where the principle broker participates. MLS's may, at their discretion, require waiver recipients and their participants to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated. *Amended 5/18 and 8/18*)

Note 1: A multiple listing service may elect to have such fees payable on a quarterly or even on a monthly basis. However, added administrative services are necessitated by increased frequency of such payments.

Note 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate appraisers among those eligible for access to

and use of MLS information as subscribers may, at their discretion, charge recurring fees. *(Amended 11/17)*

The MLS may charge participants and subscribers not holding primary or secondary membership in the Realtors®' Association that owns the MLS a different amount than charged to members of the association, provided that such charge is reasonable related to the actual cost of serving those members.

None of the foregoing shall be construed as requiring an association to grant MLS participatory rights, under Board of Choice, where such rights have been previously terminated by action of that association's Board of Directors.

COMPLIANCE WITH THE RULES

Section 7 Compliance with Rules Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days or more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years *(Amended 11/14)*

Note 1: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14) **M**

Note 2: MLS participants and subscribers can receive no more than three (3) administrative sanctions in a calendar year before they are required to attend a hearing for their actions and potential violations of MLS rules, except that the MLS may allow more administrative sanctions for violations of listing information provided by participants and subscribers before requiring a hearing. The MLS must send a copy of all administrative sanctions against a

subscriber to the subscriber's participant and the participant is required to attend the hearing of a subscriber who has received more than three (3) administrative sanctions within a calendar year. *(Adopted 11/20)* **M**

Section 7.1 Compliance with Rules

The following action may be taken for noncompliance with the rules:

- a.** for failure to pay any service charge or fee within one (1) month of the date due, and provided that at least ten (10) days' notice has been given, the service shall be suspended until service charges or fees are paid in full
- b.** for failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply

Note: Generally, warning, censure, and the imposition of a moderate fine are sufficient to constitute a deterrent to violation of the rules and regulations of the multiple listing service. Suspension or termination is an extreme sanction to be used in cases of extreme or repeated violation of the rules and regulations of the service. If the MLS desires to establish a series of moderate fines, they should be clearly specified in the: rules and regulations. *(Amended 11/88)*

Section 7.2 Applicability of Rules to Users and/or Subscribers:

Non-principal brokers, sales licensees, appraisers, and others authorized to have access to information published by the MLS are subject to these rules and regulations and may be disciplined for violations thereof provided that the user or subscriber has signed an agreement acknowledging that access to and use of MLS information is contingent on compliance with the rules and regulations. Further, failure of any user or subscriber to abide by the rules and/or any sanction imposed for violations thereof can subject the participant to the same or other discipline. This provision does not eliminate the participant's ultimate responsibility and accountability for all users or subscribers affiliated with the participant.

MEETINGS

Section 8 Meetings of MLS Operations Committee:

The multiple listing service committee shall meet for the transaction of its business at a time and place to be determined by the committee or at the call of the chairperson.

Section 8.1 Meetings of MLS participants:

The committee may call meeting of the participants in the service to be known as meetings of the multiple listing service.

Section 8.2 Conduct of the Meetings:

The chairperson or vice chairperson shall preside at all meetings or, in their absence; a temporary Chairperson from the membership of the Committee shall be named by the Chairperson or, upon his/her failure to do so, by the Committee.

ENFORCEMENT OF RULES OR DISPUTES

Section 9 Consideration of Alleged Violations:

The Committee shall give consideration to all written complaints having to do with violations of the rules and regulations. By becoming and remaining a participant, each participant agrees to be subject to these rules and regulations, the enforcement of which is at the sole discretion of the Committee (Board of Directors).

When requested by a complainant, the MLS will process a complaint without revealing the complainant's identity. If a complaint is subsequently forwarded to a hearing, and the original complainant does not consent to participating in the process, the MLS will appoint a representative to serve as the complainant. *(Amended 11/20) M*

Section 9.1 Violations of Rules and Regulations:

If the alleged offense is a violation of the rules and regulations of the service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the multiple listing service Committee, and if a violation is determined, the Committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the Professional Standards Committee of the Association in accordance with the bylaws and rules and regulations of the Board of Realtors® within twenty (20) days following receipt of the Committee's decision. *Amended 11/96)*

If, rather than conducting an administrative review, the multiple listing Committee has a procedure established to conduct hearings, the decision of the multiple listing Committee may be appealed to the Board of Directors of the Association of Realtors® within (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the Board's Grievance Committee for processing in accordance with the Professional Standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the Association of Realtors®. *(Amended 2/98)*

Section 9.2 Complaints of Unethical Conduct:

All other complaints of unethical conduct shall be referred by the Committee to the Professional Standards Administrator of the association of REALTORS® for appropriate action in accordance with the Professional Standards procedures established in the Association's bylaws. *(Amended 11/88)*

Section 9.3 Complaints of Unauthorized Use of Listing Content

Any participant who believes another participant has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No participant may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this Section 9.3 of the MLS rules.

Upon receiving a notice, the Committee (Board of Directors) will send the notice to the participant who is accused of unauthorized use. Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made

within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law. *(Adopted 5/18)M*

Section 9.4 MLS Rules Violations

MLS participants may not take legal action against another participant for alleged rules violation(s) unless the complaining participant has first exhausted the remedies provided in these rules. *(Adopted 5/18) M*

(Adoption of 9.3 and 9.4 are not required if the MLS has adopted alternative procedures to address alleged misuse of listing content that includes notice to the alleged infringer.)

CONFIDENTIALITY OF MLS INFORMATION

Section 10 Confidentiality of MLS Information:

Any information provided by the multiple listings service to the participants shall be considered official information of the service. Such information shall be considered confidential and exclusively for the use of participants and real estate licensees affiliated with such participants and those participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such participant. *(Amended 4/92)*

Section 10.1 MLS Not Responsible for Accuracy of Information:

The information published and disseminated by the service is communicated verbatim, without change by the service, as input into the service by the participants. The service does not verify such information provided and disclaims any responsibility for its accuracy. Each participant agrees to hold the service harmless against any liability arising from any inaccuracy or inadequacy of the information such participants provides.

OWNERSHIP OF MLS COMPILATION* AND COPYRIGHT

Section 11

By the act of submitting any property listing content to the MLS, the participant represents and warrants that he or she is fully authorized to license the property listing content as contemplated by and in compliance with this section and these rules and regulations, and also thereby does grant to the MLS license to include property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. *(Amended*

5/18)

Each participant who submits listing content to the MLS agrees to defend and hold the MLS and every other participant harmless from and against any liability or claim arising from any inaccuracy of the submitted listing content or any inadequacy of ownership, license, or title to the submitted listing content. (Adopted 5/18) **M**

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

Section 11.1

All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the Port Angeles Association of Realtors® and in the copyrights therein, shall at all times remain vested in the Port Angeles Association of Realtors®.

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

Section 11.2 Display

Each participant shall be entitled to lease from the Port Angeles Association of Realtors® a number of copies of each MLS compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The participant shall pay for each such copy the rental fee set by the association. *

Participant shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

*This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

USE OF COPYRIGHTED MLS COMPILATION

Section 12 Distribution:

Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by the Association of Realtors®, and shall not distribute any such copies to persons other than subscribers who are affiliated with such participants as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an Association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an Association multiple listing service where access to such information is prohibited by law.

Section 12.1 Display:

Participants and those persons affiliated as licensees with such participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation.

Section 12.2 Reproduction:

Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable* number of single copies of property listings data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participant or their affiliated licensees, be interested.

* It is intended that the participants be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the participant is seeking to promote interest. The term reasonable, as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchaser's decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent and thus reasonable in number, shall include, but are not limited to, the total number of listings in the MLS compilation, how closely the types of properties contained in such listings accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest or in which the participants or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listings sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form provided electronically, or provided in any other form or format, is provided for the exclusive use of the participants and those licensees affiliated with the participants who are authorized to have access to such information. Such information may not be transmitted, re-transmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed

confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. (Amended 05/14)

USE OF MLS INFORMATION

Section 13 Limitations on use of MLS Information:

Use of information from MLS compilation of current listing information, from the Association's statistical report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS participant or in other public representations, may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice.

Based on information from the Association of Realtors® (alternatively, from the Port Angeles MLS) for the period (date) through (date). (*Amended 11/93*)

CHANGES IN RULES AND REGULATIONS

Section 14 Changes in Rules and Regulations:

Sections 15, 16 OPT OUT PAAR does not accept non-member participants.

(*Amended 11/04*)

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancements and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated orientation and additional training remotely. (*Amended 11/17*)

INTERNET DATA EXCHANGE (IDX)

Section 18 IDX Defined:

IDX affords MLS participants the ability to authorize limited electronic display and delivery of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listings. *(Amended 5/17)*

Section 18.1 Authorization:

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listings-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants*.

*Even where participants have given blanket authority for other participants to display their listings on IDX sites such consent may be withdrawn on a listings-by-listing basis where the seller has prohibited all internet display or other electronic forms of display or distribution. *(Amended 5/17)*

Section 18.2 Participation:

Participation in IDX is available to all MLS participants who consent to display of their listings by other participants.

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. *(Amended 5/12)*

18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent the indexing of IDX listings by recognized search engines. *(Amended 5/12)*

Section 18.2.3

Listings including property addresses can be included in IDX displays except where a seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. *(Amended 5/17)*

Section 18.2.4

Participants may select the listings they choose to display through IDX sites based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), or type of listing (e.g., exclusive right-to-sell or exclusive agency). Selection of listings displayed through IDX must be independently made by each participant. *(Amended 11/21)*

Section 18.2.5

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads not less frequently than every 12 hours. *(Amended 11/14)*

Section 18.2.6

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. (Amended 5/12)

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. (Amended 5/12)

Section 18.2.8

Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants, except for the foregoing and subject to Section 18.2.9, a participant's IDX display may communicate the participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. (*Adopted 5/12*)

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false.

However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. (*Amended 5/12*)

Section 18.2.10

An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participant may display listings from each IDX feed on a single webpage or display. (*Adopted 11/14*)

Section 18.2.11

Participants shall not modify or manipulate information relating to other participant's listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.*(Adopted 5/15)*

Section 18.2.12

All listings displayed pursuant to IDX shall identify the listing firm and the email or phone number provided by the listing participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the medium used in the display of listing data* *(Amended 11/21)*

*Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device application. *(Amended 5/17)*

Section 18.3 Display Rules:

Display of listings information pursuant to IDX is subject to the following rules:

Section 18.3.1

Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., showing instructions, and property security information) may not be displayed.*(Amended 11/21)*

Section 18.3.1.1

The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed. *(Amended 5/12)*

Section 18.3.2

All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. Displays of minimal information (e.g. "thumbnails", text messages, "tweets", etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures.*(Amended 5/12)*

Section 18.3.3

All listings displayed pursuant to IDX shall identify the listing agent.

Section 18.3.4

Non-principal brokers and sales licensees affiliated with IDX participants may display information available through IDX on their own web sites subject to their participant's consent and control and the requirements of state law and/or regulation.

Section 18.3.5

All listings displayed pursuant to IDX shall show the MLS as the source of the information.*

Section 18.3.6

Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumer's personal non-commercial use that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participant and/or the MLS from liability.*

* Displays of minimal information (e.g. "thumbnails", text messages, "tweets", etc., of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. For audio delivery of listing content, all required disclosures must be subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application. (Amended 5/17)

Section 18.3.7

The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than (500) listings or (50%) of the listings available for IDX display, whichever is fewer. (Amended 11/17)

Section 18.3.8

The right to display other participants' listings pursuant to IDX shall be limited to a participant's office(s) holding participatory rights in this MLS.

Section 18.3.9

Listings obtained through IDX feeds from REALTOR® Association MLSs where the MLS participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources (e.g. from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained.*

Note: An MLS participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participant may display listings from each IDX feed on a single webpage or display.

Section 18.3.10

Display of expired, withdrawn, and sold listings** is prohibited.

*Displays of minimal information (e.g. "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 11/14)

**Note: If "sold" information is publicly accessible, display of "sold" listings may not be prohibited.

Section 18.3.11

Display of seller's(s) and/or occupant(s) name(s), phone number(s) and email address(s) is prohibited.

Section 18.3.12

Advertising (including co-branding) on pages displaying IDX-provided listing is prohibited.

Section 18.4 Service fees and Charges

Service fees and charges for participation in IDX shall be as established annually by the Board of Directors. (Adopted 11/01 Amended 5/05)

VIRTUAL OFFICE WEBSITE

Section 19.1

- a) A Virtual Office Website ("VOW") is a participant's Internet website, or a feature of a participant's website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information subject to the participant's oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant's oversight, supervision and accountability.
- b) As used in Section 19 of these Rules, the term "participant" includes a participant's affiliated non-principal brokers and sales licensees - except when the term is used in the phrases "participant's consent" and "participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all VOWs, whether operated by a participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner ("A VP") on behalf of a participant.
- c) "Affiliated VOW Partner" ("AVP") refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant's supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more participant. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW.
- d) As used in Section 19 of these Rules, the term "MLS listing information" refers to active listing information and sold data provided by participant to the MLS and aggregated and distributed by the MLS to participants.

Section 19.2

- a) The right of a participant's VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b) Subject to the provisions of the VOW policy and these rules, a participant's VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX).
- c) Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant's VOW.

Section 19.3

- a) Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the participant must take each of the following steps:

- i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid email address for each Registrant. The participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in Subsection d), below). The participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
 - iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any email address is associated with only one user name and password.
- b) The participant must assure that each Registrant's password expires on a date certain but may provide for renewal of the password. The participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant's password.
- c) If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS provide an audit trail of activity by any such Registrant.
- d) The participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a terms of use provision that provides at least the following:
 - i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant;
 - ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use;
 - iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
 - iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;
 - v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.
- e) The terms of use agreement may not impose a financial obligation on the Registrant or create any

representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

- f) The terms of use agreement shall also expressly authorize the MLS, and other MLS participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participant's listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the participant and the Registrant.

Section 19.4:

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions, or get more information, about any property displayed on the VOW. The participant, or a non-principal broker or sales licensee licensed with the participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW.

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Note: MLSs may adopt rules requiring participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

Section 19.6

- a) A participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.
- b) A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

Please check either Option a or Option b

- a) I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

- b) I have advised my broker or sales agent that I do not want the

address of the listed property to be displayed on the Internet.

I understand and acknowledge that, if I have selected option a), consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

- c) The participant shall retain such forms for at least one (1) year from the date they are signed, or one (1) year from the date the listing goes off the market, whichever is greater.

Section 19.7

- a) Subject to subsection b), a participant's VOW may allow third-parties:
- i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.
- b) Notwithstanding the foregoing, at the request of a seller the participant shall disable or discontinue either or both of those features described in Subsection a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. Subject to the foregoing and to Section 19.8, a participant's VOW may communicate the participant's professional judgment concerning any listing. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller.

Section 19.8:

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participants shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. The participants shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9:

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) days.

Section 19.10:

Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 19.11:

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 19.12:

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property. *(Amended 11/21)*

Section 19.13:

A participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 19.14:

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOW's on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant.
